

A. Student Visa 15 month

The visa application process requires customers to go to Khon Kaen twice. The first visit is to apply for the three month Non ED visa. The second visit is for taking the photo and completing the process to extend the visa for one year. It is required to follow the instructions re online presence.

Documents required:

1. Passport with more than 6 months' validity
2. If entering with an e-visa, please bring the e-visa document
3. Telephone number in Thailand
4. Current address in Thailand
5. Email address

Fee: THB 57,000 for the paperwork and processing. (Travel expenses not included.)

Process:

We require one full payment before starting the process. Once the payment is received, we begin the procedure. You must have at least 20 days remaining on your stay if you entered under the "60-day Visa Exemption" or with a "Tourist Visa." Processing takes approximately 3–4 days. Once everything is ready, we will call you to go to Khon Kaen and meet our contact there.

For the one-year extension, the procedure is similar. About 20 days before the due date, we will contact you to schedule the appointment for the one-year extension.

B. Extension as Student, with an existing ED visa/extension we offer one year extension at a local University
