Ensure all images are clear, well-lit, and meet the requirements above. Incorrect submissions may delay the processing of your application.

DTV Application Process

Official Step-by-Step Client Guide

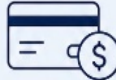

1

Prepare the required documents:

a clear photo of your passport, one selfie, and one full-length photo showing you from head to shoes.

2

Pay the initial 50% service fee.

3

Wait approximately 2 months for processing.

During this period, please comply with the conditions of your current entry stamp. If required, complete border runs or depart Thailand as needed. Do not apply for any other visa until your DTV has been approved.

4

DTV approval is issued.

5

Pay the remaining balance.

6

Enter Thailand through the airport with Fast Track service included in order to activate your DTV.
